I am a Musical Director, Composer, Writer, and performer working across the fields of Theatre, Education, and session Musicianship. I have a broad range of skills, am extremely committed to my work, and have a curious, determined mind, always willing to try new things. I am a fast learner, well-tempered, and work well with other people. I have previously completed a first aid certificate, held a DBS certificate, and worked with children, the elderly, professionals, and amateurs. I consider every day, every performance, and every job an opportunity to learn.
